RE: Review of Bar Membership application

I have reviewed the above-noted electronic membership application. Based on the information or demonstration provided, your app appears to meet the minimum conditions for compliance with NC laws regarding private clubs.

If your clients use your product as demonstrated and intended, ABC permit-holders will likely be in compliance with private club membership record-keeping requirements. It is still each permit-holder's responsibility to ensure compliance with all ABC laws and rules.

Note: THIS IS NOT AN ENDORSEMENT of your product over any other.

This is simply an acknowledgement that it provides necessary functions.
